

Riva

The Riva sofa embodies timeless elegance with a refined, contemporary character. Defined by its clean lines, generous seating proportions and softly structured cushions, Riva creates a harmonious balance between comfort and sophistication. Its distinctive silhouette, elegantly upholstered armrests and subtle metal legs give the design a light, architectural appearance while maintaining an inviting sense of warmth and relaxation.

Designed with versatility in mind, Riva offers a modular composition that adapts effortlessly to different spaces and interior styles. Individual elements can be combined to create intimate seating arrangements, spacious corner configurations or generous lounge settings. The carefully considered proportions and supportive backrest ensure exceptional comfort without compromising the sofa's refined aesthetic.

Inspired by the understated luxury of Italian design, Riva reflects a perfect balance between simplicity, functionality and timeless beauty. Crafted with carefully selected materials and attention to detail, the sofa brings a sense of elegance and tranquility to any interior, making it equally suited to sophisticated residential spaces and contemporary hospitality environments.
